You know every thought of every single day

You forgi - ive You forgi - ive  
Even when I fail You and even when I sin

Temptation comes my way and I'm a slave to sin  
I need Your forgiveness to be born again  
On that cross You gave Your life for my redemption  
You bought me with Your blood and paid for my ransom

Just like the thief on the cross

Seven times seventy times  
You forgive You forgive
